The purpose of Chamber Leads Groups is to provide a direct networking opportunity through weekly group meetings for Chamber members to:

- Generate Referrals
- Build Relationships
- Share Best Practices

By developing and sharing in activities that are found best to promote business growth and professional development.

Each group is limited to one member from each business category. If you are interested in joining a Leads Group, please read the attached bylaws, complete and sign the application below and forward it to the Leads Group Committee. The committee will confirm an opening in the group and process your application (in coordination with the Chamber), or, if no opening is available, give you the option to be placed on the Chamber's Leads Group waiting list.
